HOW TO USE YOUR GASOLINE RATION BOOK

Each coupon in this book is good for *ONE "S" UNIT* of gasoline. The number of gallons which each coupon gives you the right to buy will depend upon the demands of the war program; therefore, the value of the unit may be changed. Any change in value will be publicly announced by the Office of Price Administration.

Do not loosen or tear coupons from the book. Detached coupons must not be honored by the dealer. When buying gasoline, hand the book to the dealer. Only he is allowed to remove coupons. He must remove enough coupons to cover the number of gallons of gasoline purchased. If you purchase only a part of a unit, the dealer must nevertheless remove an entire unit.

The dealer is permitted to deliver gasoline only into the fuel tanks of the vehicle or fleet described on the front cover unless bulk transfer has been authorized by the War Price and Rationing Board.
